We will start at 6pm

Background

Since September 2005 all 33 London Boroughs and 5 local authorities that border London have co-ordinated their admissions.

The System is an extension of the requirement by the Government that all Councils co-ordinate admissions to schools in their area.

Previously parents in London who applied to several schools, often in more than one Local Authority, may have received more than one offer, which meant that others received no offer at all.

The Pan London system reduces multiples offers and gives one offer per child at the initial stage on National Offer Day.

Making your application

- ▶ You must submit your application through the local authority in which your child lives, regardless of the location of the schools you wish to apply for or where your child currently attends school, by the closing date of 31st October 2021
- ▶ We recommend that where possible you submit your application online at:-
www.sutton.gov.uk/admissions
- ▶ You will receive an e-mail confirmation once your application has been submitted, and you will be able to change your application at any time until midnight on 31st October 2021
- ▶ If you do not have access to the internet you can apply online at one of Sutton's libraries or contact your child's primary school who may be able to assist. Only if you cannot apply online should you contact the Local authority to request a common application form, which must be submitted by 31st October 2021

Completing the application

- ▶ You will be asked to provide your child's details including their address and current school
- ▶ An application can only be made from a single address and only a single application made for each child. The address must not be a temporary, childminder's, relative's or business address
- ▶ You must name the schools that you wish to apply for, wherever they are in located, and these must be ranked in the order that you prefer them
- ▶ If you live in Sutton you can name up to 6 schools and we would encourage you to make use of all your preferences. The preference order is NOT shared with the schools
- ▶ You must submit the application to your home Local Authority by **31st October 2021**

Supplementary Forms/On Line Registration

- ▶ Some schools will require a supplementary form to be completed or for an online registration to be made to gather additional information to allow them to apply their admissions criteria
 - ▶ Failure to return a supplementary form or complete an online registration by the date it is required will mean the school will be unable to consider your child's application fully and your child may not be invited to sit the tests/auditions
 - ▶ To find out if a school requires a supplementary form or online registration refer to the school's website or at www.sutton.gov.uk/admissions
