

Stanley Park Junior School's preferred method of face to face contact is Google Meet. This will allow staff to make contact with pupils, share information and conduct meetings.

The purpose of Google Meet calls can include:

- Regular face to face contact with as many children as possible in the class
- Checking in on children's well-being
- Celebrate achievements of pupils
- Allowing staff to share class feedback

Teachers may also use these opportunities to share stories, play games answer questions, lead debates and allow children to share things they are proud of/need support with.

PLEASE NOTE: These sessions are for children, not adults/parents. When your child enters the Google Meet they must follow the guidelines below:
