2nd October 2020

Dear Parent/Carer

Invitation - Oaks Park High Year 6 Zoom Events 2020

We were very disappointed that we were unable to hold our annual open evening this September. This is always a wonderful occasion which gives parents and children the chance to meet our fantastic staff and students, explore our outstanding facilities and find out more about the learning that takes place inside and outside the classroom.

Obviously, it is difficult to recreate an open evening 'virtually', but over the last few weeks, we have produced a short film which aims to provide a flavour of life at Oaks Park High, along with important information about our revised curriculum, assessment processes and pastoral support structure. You can view it [here](#).

Additionally, we would like to invite you to attend live 'Zoom' sessions hosted by members of our leadership team, which will give more detail about these important aspects of our school. Any questions you may have can be pre-submitted, and there will be an opportunity for you to ask questions during the session. Full information and a booking form can be found on our website using the link above, or the form accessed [here](#)

Oaks Park High is committed to providing local, high quality education to students aged 11-18. I am very proud of what we have achieved in the last year: We have introduced a rigorous new Year 7 curriculum; a new pastoral structure and updated assessment processes. Our results are improving steadily, and we are confident that students will achieve the very best they can at our school.

We would love to welcome you to one or more of our Zoom sessions. However, we are also very happy to talk to you by phone if you would like to discuss your child attending our school next year.

Do please email the school on office@oaksparkhigh.org.uk if you have any questions, and we will arrange for a member of the senior team to get in touch with you.

Yours faithfully

Mr A Amin
Headteacher
