

Transfer to Secondary School September 2023

For children born between 1 September 2011 and 31 August 2012

Open Evenings – Provisional Dates - This information is subject to change

These are a unique opportunity to see the school buildings, facilities, and staff, and to hear from the head teachers about each school, its achievements, and plans for the future.

Some Sutton Schools have virtual tours available on their websites, these provide useful information about each school. Please click on each school below to view the school tour or visit each school's website. We will send another newsletter at the start of Autumn term to advise of any revised dates. Please also continue to check the school websites for updates.

It is important that you also consider schools which are located outside Sutton, particularly if you live close to a borough boundary with [Croydon](#), [Kingston](#), [Merton](#) or [Surrey](#). You can apply for any school in any local authority, and we encourage families to apply for their local schools, whether in Sutton or in neighbouring boroughs.

The following table gives the provisional dates of open evenings for the Sutton schools. Dates of open evenings for schools outside Sutton are available from individual school websites.

Selection Tests, Aptitude Assessments and Supplementary Forms

Some schools will require your child to sit a test or be assessed for all or some of their places. Results are issued before the closing date for applications so that you know if your child is eligible for consideration and the school can be named on your application.

Registration is normally done through the school website or a supplementary form available directly from the school. The table below gives the dates by which you must register for these tests. If you are considering schools outside of Sutton, you should visit their websites to obtain further details.

School	Assessment Type	Registration Deadline	Assessment/Test date
Carshalton High School for Girls	Music or Sport	TBC	13 September
Glenthorne High School	Performing arts workshop	23 September	8 & 15 October
Glenthorne High School	Banding test (all applicants)	31 October	19 November
Greenshaw High School	Eligibility test only	5 August	13 September
Nonsuch High School for Girls	Eligibility tests	5 August	13 September
Sutton Grammar School	Eligibility tests	5 August	13 September
Wallington County Grammar School	Eligibility tests	5 August	13 September
Wallington High School for Girls	Eligibility tests	5 August	13 September
Wilsons School	Eligibility tests	5 August	13 September

Following registration, invitations to test or assessments will be issued by the schools.

Greenshaw, Sutton Grammar, Wallington County Grammar, Wallington High School for Girls, Nonsuch High School for Girls and Wilson's School run a shared selective eligibility test. To register, go to any one of these schools' websites. **You only need to register your child once.**

Success in the selective eligibility test means:

- Greenshaw High School – eligible to be considered for an ability place.
- Sutton Grammar School, Wallington County Grammar School, Wallington High School for Girls, Nonsuch High School for Girls and Wilson's School – eligible to sit second stage entrance examinations on Saturday 1st October 2022

Some schools may also ask for a supplementary form to be completed. For example, this will be the case for faith designated schools which need a reference from a parish priest, but this may also apply for other schools.

In Sutton, the schools that require a supplementary form in addition to the common application form made to your home local authority (between 1 September and 31 October) are St Philomena's Catholic High School for Girls and The John Fisher School.

Success in tests or assessments for any of these schools does not guarantee an offer of a place.
