

Dear Parents,

We help parents, just like you, transform their children into Highly Confident, Focused Leaders by developing lifelong Character and Success in just weeks!

Having helped over 5,000 children inside our school clubs we have a world class programme with a great track record for results. We are now one of the most successful and forward-thinking martial arts organisations in the UK.

Our small but driven team of instructors have a passion for developing character in young people and aim to make a massive impact, very quickly on areas your child needs to develop. Each child is taken on an exciting journey guiding them to become more resilient, determined, courageous and positive with their own personal instructor.

If you want to see your child develop a blackbelt character, we can turn that vision into a reality. To ensure your child doesn't miss out please follow the details below.

Each school club has an instructor to personally mentor your child, encouraging life changing self-belief without setting limits on what they can achieve.

In just a few short weeks, children develop vital skills for life that physically and mentally empowers them.

Our high impact classes take children on a journey to develop these **8 Pillars of Success**.

We believe the environment dictates performance and that's often quite hard to achieve at home, and it's impossible to achieve without some extra help and support. If you feel your child would benefit from development in any of these key areas, register your child now to avoid missing out as places are very limited.
