

Stanley Park Junior School
a Sense of Pride

**Sex Education
Meeting
20th March 2018**

Aims of Meeting:

- Share policy
- Discuss lessons for year 5
- Watch video shown to year 5 and 6 and look at resources used.

Policy

- The policy is available from the school website
- <http://www.spjs.org>

SPJS Sex Education Policy

Statutory requirement

Science curriculum:

- 'Describe the life process of reproduction in some plants and animals.'
- 'describe the changes as humans develop to old age'

SPJS Sex Education Policy

Aims of Sex Education

- combat ignorance, reduce anxiety, dispel myths and to promote increased understanding and respect, not only for others, but for themselves too.
- understand the changes which happen to their bodies and reasons for these changes.

Teaching approach & materials

Year 5:

In PSHCE:

- Changes since birth: appearance, language, likes and dislikes etc.

Teaching approach & materials

Year 5:

Before the lessons:

- Establish ground rules for asking questions.

Teaching approach & materials

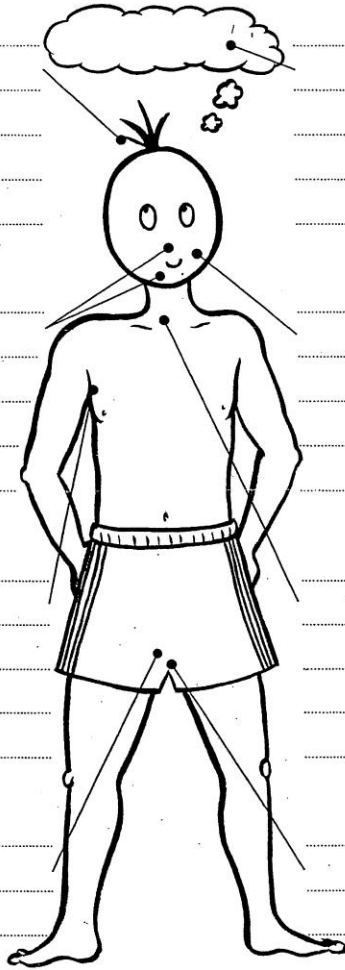

Year 5:

Lesson 1:

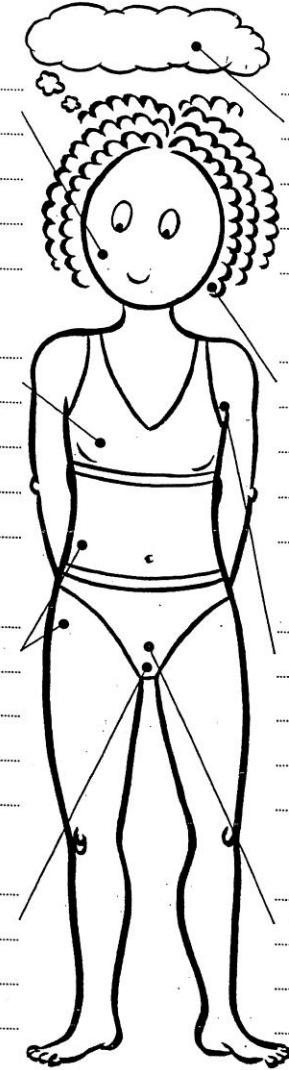

- Brain storm ideas about changes
- Watch "Growing up" video
- Boys/Girls 'Changes' sheet

Check out the changes, boys!

Check out the changes, girls!

Teaching approach & materials Year 5:

Lesson 2:

- Separate into gender groups: girls with Mrs Khan and another female member of staff, boys with Mr. Devine and Mr Tazzyman and talk through gender specific changes.
- Answer appropriate questions from box.

Teaching approach & materials
