

Dear Parents/Carers of children in Year 3

We hope that you have enjoyed the start of the new academic year and have started to feel part of the SPJS school community. Your children have been an absolute delight and have been demonstrating their Sense of Pride.

Each Friday-Sunday you will receive a weekly update email for the following week. We try to do this to reduce the number of emails you receive throughout the week and keep you informed. We hope that you find them useful.

CURRICULUM HEADLINES

Each week we send home curriculum headlines for each year group to give you information about what the children will be learning the following week as well as sharing important information/reminders. These weekly overviews will be a starting point for discussion with your child about what they have been learning or will be learning. You may want to read around certain topics or plan days-out to support the curriculum. The ones for this coming week are available to view on our website: <https://www.spjs.org/weekly-curriculum-headlines.php>
