DESIGN FUTURE LONDON PROJECT WITH MINECRAFT

Children were introduced to this competition in assembly on Friday. Please read the

attached letter for more information. On Google Classroom there is also some information for children to read and follow as well as a video recorded to Miss Fox showing them how to access the 'Design Future London'. (It is quite tricky to navigate to the programme to locate it.)

I am sure many of our pupils will enjoy entering this competition to redesign Croydon.

THANK YOU

Thank you to all the parents and children that donated money on Friday to raise funds for the Earthquake appeal for Turkey and Syria. Well done to our Year 6 children who organised the cake sale after school on Friday as well as all of our keen bakers! We will let you know how much money has been raised next week once it has been counted.

- Thank you to the small group of parents who came into school for the last couple of weekends, to clear the plant troughs, help to reorganise the Green Zone area and sort and clear the pond. We are very grateful for your help. Thank you Mrs Galligan for organising this for us. If there are any parents who are able to lay decking, and are willing to volunteer their time, we would be very grateful if you could get in touch. We would like to redo a bit of decking in the Green Zone in the coming months and would welcome any advice and help. Thank you!

See you in the morning.
