Dear Parents/Carers

Thank you for coming to sports day today! We hope that everyone enjoyed themselves. We were really impressed by the children's running technique and athleticism. The children also seemed to really enjoy the sporting activities before school.

We will share some photographs of 'Sports Week' in the July newsletter.

MULTIPLICATION CHECK- NATIONAL TEST

This week we received the results of the National Multiplication Check for our Year 4 pupils who took the National Test in June. They did extremely well with 48% of children receiving full marks! This is a 12% increase on last year's results. Well done! The children have worked extremely hard to learn to recall them at speed - hard work always pays off! We were very proud of their achievements. Parents' will receive their child's test data in the end of year school reports.

Y6 SATS DATA

We do not get back the Year 6 SATS data until Tuesday 11th July. You will receive your child's test data in their end of year reports.

We hope that you have a relaxing weekend.

See you on Monday
