A "Sense of Pride"

6th January 2022

Dear Parents/Carers,

ANCIENT EGYPTIAN PYRAMIDS WORKSHOP

As part of Year 3's Ancient Egyptian topic, on **Friday 4th February**, we will be visited by a company called the *Architecture Workshop*, who run hands-on cross-curricular workshops in schools. The children will build huge, individual square-based pyramids, which they will then fix together to make a larger one, learning about square numbers as they do so. The finale will include building the great pyramid of Giza in which all the pupils are asked to be a mummy.

The children are not required to provide anything and are expected to wear their normal school uniform. The workshops will take place in our school hall and the cost for this enrichment will be covered by the school. No payment is required.

We hope the children will thoroughly enjoy learning in this special way.

Yours sincerely

Mrs Shabankareh-Smith
