

Year 3 celebrate an amazing Autumn term

**Butser
Ancient Farm**

Wonderful cave art

Termly projects

**Collaborative learning
in English and Maths**

**Sports
opportunities**

Learning outside

Making biscuits

Autumn 2023 has been a great success for Year 3. The children have clearly enjoyed their learning and have made the most of every learning opportunity they have been given. We hope you can see how responsible, confident and successful they are becoming. We are immensely proud of them!

Wishing you all a wonderful Christmas. We hope the holiday brings some relaxation as well as much excitement!
