A "Sense of Pride"

Dear Parents/Carers,

CELEBRATION OF EURO 2020 TOURNAMENT

Many of us in school are very excited that we have got through to our first major final since 1966 and I know many children and families are too. To build the excitement for the big match on Sunday and celebrate the fantastic tournament where there have been many displays of great sportsmanship, **we are inviting children to come to school in football/sports/red and white or red green and white mufti tomorrow.** (Y3 are celebrating VE day so will already be appropriately dressed). We apologise for the short notice but felt that children would enjoy doing it- there is no need to buy anything special to wear.

On Sunday the match is due to start at 8pm and we know that many children will want to watch the match live. We also appreciate that some children will not be in the slightest bit interested!

We would never normally advocate keeping children up late or coming into school tired, however I think after the year we have had, lots of families will want to stay up and watch England/Italy play on Sunday. If families do decide to allow children to stay up and watch the games then we could have some really tired children and this could lead to emotional/grumpy children at school. So what can we do?

We have the following options to help. You can either:

- Come to school at normal times on Monday 12th July at the usual gates

Or:

- Have a late start (so children can catch up on their sleep) and come in at usual gates at the following times (sibling rules apply too):

Y6 10.30am

Y5 10.40am

Y4 10.50am

Y3 11am

(Children having school dinners will preorder their dinner choices on Friday)

Please note that we don't want children arriving throughout the morning as this would be disruptive to the office staff and teachers in class. The day will operate as normal for all those with working commitments and breakfast club/early morning tuition will be open as usual should you wish your child to attend.

Kind regards

Mrs Lamy
