A "Sense of Pride"

14th April 2021

Dear Parent,

YEAR 6 CYCLE TRAINING

We are pleased to inform you that in conjunction with the London Borough of Sutton and Kingston we will once again be offering our year 6 pupils the opportunity to complete a Bikeability Level 1 and 2 Course.

The courses have been booked for the week commencing 17th May 2021 and 24th May 2021. The course will run over 2 days during school time. Children will be working in groups of up to 12 pupils in the playground and 4 pupils on the road. Transport for London will be fully funding it this year. However, if you withdraw your place with less than 14 days' notice, the school will have to pay a cancellation fee of £30 per pupil.

To take part children will need to have a bike, which is in good mechanical order, and have a cycle helmet and preferably a Hi-Viz jacket/bright jacket. Some of the training is provided on the road under the supervision of trainers. Please read the attached letter from the Sustainable Transport Officer which gives full details of how to book a place for your child.

All places can only be booked online via the link provided in the attached letter. All children must be able to ride a bike if registering for this course. We advise that all bicycles are padlocked to the cycle rack when they are brought into school. The school accepts no liability to any loss or damage to the bicycle.

If you would like to book a place for your child please do so by Monday 26th April in order for groups to be arranged, and for the relevant number of instructors to be booked.

We hope to be able to give places to everyone who wants them. We will let you know which week and days your child will be taking part, nearer the time.

Yours sincerely,

Mrs Lamy
