

Dear Parents/Carers,

### **CURRICULUM HEADLINES**

Thank you to our parents who have responded to our survey on these headlines. It is not too late to give your views: <https://forms.gle/WNmFjG3rJZshJUNRA>

The curriculum headlines for the first week back are now available to view on our website: <https://www.spjs.org/weekly-curriculum-headlines.php>

### **SPRING TERM 2023 AWARDS**

We had our awards assembly on the last day of term. Well done to all those children who were nominated and who won an award. We are very proud of you! A list of the nominees and winners are now available to view on our website: <https://www.spjs.org/awards.php>

### **YEAR 4 & 5 FOOTBALL TRIALS**

After Easter, we will begin to hold football trials for the next season. The trials will take place over a two week period on the following days:

**Year 4 Boys** - Wednesday 19th April & Wednesday 26th April

**Year 5 Boys** - Friday 21st April & Friday 28th April

**Year 4 & 5 Girls** - Wednesday 3rd May & Friday 5th May

All trials will be from 12:40 - 1:15pm on the field and children who wish to trial out should attend both days. Children will need to make sure that they have a spare pair of trainers (not studded football boots) with them in order to take part, as the field is often muddy at this time of year. If it is not their scheduled P.E. day, children are welcome to bring in shorts, tracksuit bottoms or football socks to change into for the trials. Those children who have been successful will be invited back to a training session for the final two weeks (we will provide further details of this nearer the time).

### **CLASS PHOTOGRAPHS**

The children will be having their photos taken on Tuesday 18th April, which is the second day back after the Easter break. We would be grateful if all the children could come in wearing smart school uniform on that day and if it is their PE day, bring their PE kit to school in a named bag.

### SUMMER CONCERTS

Thank you for sending in the reply slips for your children to play at our summer concerts. (As the deadline has now passed, we are unable to accept any further requests to take part). We hope that they are able to practise their instruments over the Easter break. The children will also be performing some songs at the concert.

The backing tracks and lyrics for these songs have been uploaded as a task into the Google Classroom Class Page and onto Reading Shed. (The code to join this virtual room is koheew) There are 2 songs for all participants to practise and 2 songs for choir members to practise.

### SCHOOL FUND
