1<sup>st</sup> February 2019

A "Sense of Pride"

Dear Parents,

## INTERNET SAFETY WEEK

The week beginning 4<sup>th</sup> February is Internet Safety Week and, while we always promote being safe online, during this week classes will have a specific focus on an aspect of e-safety which they have found challenging before.

Year 3 will focus on the risks of meeting people online and how to manage those risks.

Year 4 will focus on who to turn to if something online worries them and ways of reporting unsafe online behaviour.

Year 5 will focus on safe web browsing and how information is not always what it seems, as well as understanding the risks of playing online games.

Year 6 will focus on safe web browsing and checking settings on different devices to ensure they are as safe as possible.

Pupils can then create a poster to illustrate their learning and share around the school the most important points to remember

Please encourage your child to share with you what they have learnt about e-safety to help keep them vigilant whenever they are online.

Yours faithfully

R. Sewell

Computing Lead

Headteacher: Amanda J Lamy BA (Hons)

Deputy Headteacher: Julia Burridge BA (Hons)
