A "Sense of Pride"

## Application for Instrumental Music Lessons - SUMMER TERM 2021

At Stanley Park Junior School, we strive to create a rich, varied and challenging curriculum that provides inspirational learning opportunities for all children. We therefore ensure we promote a wide range of extra-curricular opportunities and are grateful for the contribution our peripatetic staff make in encouraging pupils who are keen to learn a musical instrument.

We are really pleased that our peripatetic staff are, once again, able to teach in school, and would like to encourage more pupils to learn a musical instrument next term. This includes new pupils as well as those who have learnt in the past.

Lesson times are staggered to avoid pupils missing the same lesson every week and staff follow clear guidelines to ensure lessons are conducted safely. They may be available individually or in small groups (within the same bubble) depending on the instrument and level of learner.

If you are interested in your child starting lessons after the Easter holiday, please complete and return this form. As peripatetic staff are not employed by SPJS, they will contact you directly to discuss arrangements, so please ensure your details are clear. Please note that completing this form does not guarantee lessons but you can be put on a waiting list if too many requests are made.

Yours sincerely

Mrs G Reeves

Music Coordinator
