A "Sense of Pride"

Dear Parents/Carers,

I am writing to keep you informed of where we are with regards to the number of Covid cases at SPJS. We have had a noticeable increase over the weekend. Many parents have reported to us that despite their children having no 'typical' Covid symptoms and having a negative lateral flow test, many PCRs have come back positive. Some parents have reported that their children had a tummy ache.

Table showing number of cases of Covid in each class at the current time

Class	Year 3	Year 4	Year 5	Year 6
S	0	1	3	6
P	1	9	2	0
J	0	2	1	0

(These numbers include three members of staff.)

Having spoken to Public Health England and the London Protection Team, they have emphasised the importance of all children in the affected classes above having a PCR test, even if they do not display symptoms. This important preventative measure enables schools to remain open and the spread of the virus to be minimised as much as possible. **Therefore, if your child has not had a PCR recently, please book one and let us know of the results (whether positive or negative), as this helps to inform our next steps and keep everyone safe.**

Thank you to all our parents who are wearing masks in the playground - we would be very grateful if everyone could do this to help protect us all.

Kind regards

Mrs Lamy  
Headteacher

Headteacher: Amanda J Lamy BA (Hons)

Deputy Headteacher: Julia Burridge BA (Hons)
