A "Sense of Pride"

11<sup>th</sup> May 2020

Dear Parents,

I hope that you are well and have enjoyed a lovely bank holiday weekend celebrating VE day.

Following the Prime Minister's broadcast last night, I'm sure that you may have lots of questions. We too have lots of questions that need clarification.

At the moment, for us in school, **there is no change to the guidance**. We will continue to provide care for those parents whose work is critical to the COVID-19 response and only those that cannot safely be cared for at home. The message is still that it is **safer to stay at home**.

We have not yet received any information to support us with this new plan to start the phased reopening of some year groups. We expect we will receive further information from the DfE later today, hopefully with some clarification. I want to reassure you that we will follow guidance carefully provided by the Government/DfE/Public Health England.

As always, we will keep you informed but for now, please try not to worry. Our plan for now is to continue to provide learning opportunities for you at home, keep in contact with you and continue to support each other during these uncertain times. Above all, we want to ensure the safety of our whole school community.

In the meantime, please continue to do what you are doing at home, and enjoy your time completing family activities: it is wonderful to see and hear the amount of gardening, baking, cycling and other creative and sporty activities that you are all doing as a family.

Stay safe, enjoy your time with your children, and take care.
