A "Sense of Pride"

22<sup>nd</sup> June 2021

## SPORTS WEEK

Dear Parents and Carers,

During the week beginning 28<sup>th</sup> June, we will be celebrating Sports Week, where the children will take part in a number of physical activities throughout the week to promote the love of being active.

The activities taking place include morning dance workouts; learning circus skills; multi-sports and Speed Stack workshops. Speed stacking is a sport where the objective is to stack a number of plastic cups in a pre-determined sequence. The sport can be played individually or in teams. Players compete against each other to complete the sequences in the lowest time possible.

**The children will be required to wear their PE kit all week.** This can consist of the school PE t-shirt or the school polo shirt; navy shorts or navy tracksuit bottoms and trainers. For safety, all children must not wear earrings during their sporting activities, so please remove all jewellery before coming to school. As usual, please ensure your child has **an additional pair of shoes** and a **named water bottle** in school each day.

### Sports Day

To bring our Sports Week to a close, we will be hosting our annual Sports Day. Unfortunately, due to the current restrictions in place, we are unable to have spectators. We will instead be taking lots of pictures and uploading them on to Google Classroom.

For the day, each child will be required to wear a coloured t-shirt that matches their team colour.
