A "Sense of Pride"

Times-table-a-thon 2019

Dear Parents,

At SPJS, we understand that knowing times-tables forms the gateway to children's progress in understanding calculation and number. Here at SPJS, we are going to make times-tables the focus of our upcoming fundraising week which commences on the 4th February. We want to make the whole week fun and exciting for the children so we are setting all of them a sponsorship challenge - a times table-a-thon!

At the start of the week, each child will be given a specific times table to learn which they will bring home for you to see along with a sponsorship form. Their homework for the week will be based on times-tables - a new activity each day. In school, they will spend the week practising as well. On Friday 8th, the children will all face 24 questions based on their times tables (multiplication and associated division facts!).

We're asking parents/carers to sponsor the children in their efforts. You can either sponsor them for every correct answer or just sponsor a lump sum for participation (or even both).

ROCKSTAR TIMES TABLES

To aid your child's enjoyment of learning times tables, all the children have been entered onto an online platform called Rockstar Times Tables. They can play on this to practise times tables. They earn credits which can be used to edit their avatar. They can also battle one another! The login for this is the same as your child's mymaths login and they will be shown how to login in the near future.

Yours sincerely,

Mr Tazzyman
(Maths Lead)
