A "Sense of Pride"

21st March 2019

Dear Parent,

YEAR 6 CYCLE TRAINING

We are pleased to inform you that in conjunction with the London Borough of Sutton we will once again be offering our year 6 pupils the opportunity to complete a Bikeability Level 1 and 2 Course.

The courses have been booked for the week commencing 20th May 2019. The course comprises a 10 hour course in 5 x 2 hour sessions during school time. Children will be working in groups of 8-10. The London Borough of Sutton will be funding it this year.

To take part **children will need to have a bike, which is in good mechanical order, and have a cycle helmet**. Some 8 of the ten hours of training are provided on the road under the supervision of trainers. Please read the attached letter from the Sustainable Transport Officer which gives full details of how to book a place for your child. We recommend that children who are going on activity week apply for a place as for one day they are cycling along the river Wandle.

All places can only be booked online via the link provided in the letter. All children will need to come to school with a roadworthy bicycle and an approved cycling helmet. We advise that all bicycles are padlocked to the cycle rack when they are brought into school. The school accepts no liability to any loss or damage to the bicycle.

If you would like to book a place for your child please do so by Tuesday 23rd April in order for groups to be arranged, and for the relevant number of instructors to be booked.

We hope to be able to give places to everyone who wants them. We will let you know which week your child will be taking part, nearer the time.

Yours sincerely,

Mrs Lamy
Headteacher

Headteacher: Amanda J Lamy BA (Hons)

Deputy Headteacher: Julia Burridge BA (Hons)
