This is to see how the children are getting on and to identify areas that we need to continue to work on.</p> |
| <p>Spelling + Word of the Week</p>  | <p>This week, we will be revisiting the spellings that the children have learnt and been tested on since starting Year 3. They are all on Spelling Shed for the children to practise. This is to see which words they have managed to retain and can still spell correctly. If your child has lost any of their spelling lists from this term, please ask their class teacher, who will be happy to provide the full list.</p> <p>Words of the Week: This week's words to boost the children's vocabulary are:</p> <p> Single chilli: rage  Double chilli: vacant (more challenging)</p> |
| <p>Maths</p>  | <p>We will work through how to approach arithmetic and reasoning questions before completing some assessments this week. This is to see how the children are getting on and to identify areas that we need to continue to work on.</p> |
| <p>Foundation Subjects</p>  | <p>DT: As part of our cooking topic, we will be making Christmas-themed biscuits next week! We will be making these in small groups, after which we will decorate our biscuit with icing. We have designed our biscuits and this week we will be selecting our favourite design to make. The school will provide the basic ingredients but your child may request additional edible decorations. There is no pressure to provide these but if you would like to, they will be gratefully received.</p> <p>Music: In preparation for our Christmas Celebration, we will be continuing to sing our Christmas songs.</p> |
