SUMMER 2022

Year 6 Production: Robin Hood and the Sherwood Hoodies

At the end of the year, Year 6 put on a production! This year, we were lucky enough to be able to perform without Covid-related restrictions. Robin Hood and the Sherwood Hoodies was great fun to rehearse and with the major roles double-cast, everyone was able to contribute. Everyone felt like they helped in some way; though there were some struggles with learning lines and coping with heat, we eventually turned a bunch of jumbled-up lines into an amazing performance. We would like to say a huge thank you to our teachers and TAs for making this production possible. This has been a fabulous end to our year! Ella, 6J

Activity Days

For the first Activity Day on Tuesday 28th June, we went to Blackland Farm. It was an amazing day and it was fun to work together and encourage each other to finish the activity. Two out of three activities were involving team work and they were really challenging, but exciting. The three activities were Jacob's ladder, crate building and abseiling. During my favourite activity (Jacob's ladder), we were in teams of 4 and had to climb a ladder, with the spaces growing gradually larger. Luckily, my team got to the top and beat the high-score. What a fun-filled day!

Ashira, 6P

On Monday 11th July, we went to Sutton Sports Village. We started out with tennis; it was really fun but also challenging. After that, we went to the junior gym, where there were different stations to practise your sport skills. We each got one minute at each station. The stations included boxing, weights, sit-ups and much more. Then, we went into another room and ran on treadmills. For lunch, we went in to the park, had a little break and ate. After lunch... WE GOT ICE-CREAM!!! Once we finished, we went to the trampoline park and had lots of fun all afternoon. After that, we all went home. We really enjoyed this experience and would want to go again. Maria and Morewa, 6P

On Thursday 14th July, we went on a trip to the theatre to see Mary Poppins. It was very interesting. We went to the London Eye and Big Ben and took photos and also had ice-cream, which was sweet and tasty. Yasha, 6P

During DT week, we made a dragon's eye using clay. We made an oval sort of shape and placed a fake dragon's eye in the middle of it. We then carved and created designs in the clay around the fake dragon's eye. We let the clay dry and two days after we made it we painted the clay model. Hafsa, 6J

Osmington Bay

When we left school, it took roughly 4 hours to get down to PGL at Osmington Bay. We got to the site and met our leaders- Peigi and Jess. Then, we went into our activity groups and headed towards our dorms. Our favourite activities were the giant swing and raft building. We also had a chance to try the zip wire; rifle shooting; Jacob's ladder; orienteering around the beach and some great team building activities in the evenings. We even got to have a disco on our last night! The last meal we had was beef burger and chips—amazing! Half way through the PGL trip we went to the gift shop and bought some souvenirs, although our memories are the best ones!

By Jack, 6J and Rishab, 6S

Cycle Training

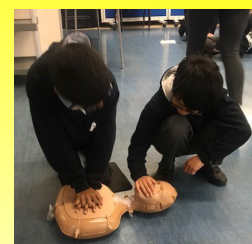

In cycle training, we went on the roads and learnt different cycle positions and road indications. We also learnt what different road signs mean. For example, triangle signs mean warning. We learnt how to use cross-junctions and roundabouts on a bicycle. We also learnt about primary and secondary positions when on the road. By Molly, 6P and Jack, 6J

Mini-Medics

In mini-medics, we did the basics of first aid. We covered the following topics:

- Dr **ABC**- standing for **A**irways, **B**reathing **CPR**.
- **CPR**- including when and how to push down on someone's
- Items in a first aid kit
- Recovery position

Overall, the workshop was very fun and incredibly helpful. By Edie and Maja, 6J

A word from the teachers...

It has been a fantastic final term for Year 6. Each and every one of the children should be extremely proud of their effort and resilience this year.

We hope they can look back on their time at Stanley Park Junior School with a real 'Sense of Pride'. Enjoy a well-deserved rest over the summer and good luck with the next chapter. Come back and see us soon. The Year 6 team
