A "Sense of Pride"

23rd July 2021

Dear Parents/Carers,

As the end of this academic year has finally arrived, I hope this letter finds you and your loved ones safe and well. I would like to begin by thanking our children for being so resilient this year and remaining focused on their learning (in whatever shape or form this took!) during what has been a very unpredictable year in their educational journey. Despite the disruptions, they have engaged well with their learning both at home and in school.

I want to thank all our staff for their commitment to the pupils at SPJS and for going above and beyond expectations throughout the year, whilst managing their own families and challenges at home.

We want to thank parents and carers for working with the school throughout this period for adapting to all the changes that we have faced, including taking on remote-learning. We also must really thank you for all the positive comments, phone calls and emails of gratitude and appreciation that we have received during this time. I must admit the chocolates, cakes and sweets also helped to keep us smiling. The staff have felt appreciated and valued by your gestures.

To our Year 6 children that are about to leave us for their next stage of their learning journey; you have been superstars. This is not what we envisaged for you at the start of Year 6, but you have demonstrated your 'Sense of Pride' throughout and we are proud of your achievements.

We wish you all a very relaxing summer break reconnecting with friends, enjoying family days-out and creating memories. We look forward to a new start in September, eager to see what the new academic year will bring.

Kind regards

Mrs Lamy
