Dear Parents/Carers

SCHOOL FUND

As you may be aware, we ask parents to make a donation to our school fund account of £20.00 per child at the beginning of the academic year.

School Fund helps us to provide a range of additional activities for the children which would not otherwise be possible from our allocation of public money. In the past, we have been able to arrange for a number of authors to visit the school during book week, which has inspired the children in their literacy lessons. We have also funded the visits of various theatre groups, science workshops, and have been able to provide additional treats for the children at Christmas. In addition to this we have purchased personalised home-school books.

We would be most grateful if you could make your donation on ParentPay. If you haven't already done so, we would be grateful if you could complete and return a Gift Aid form. This will enable us to reclaim tax on your donation if you are a UK tax-payer. (These can be downloaded from our school website www.spjs.org and are also available from the school office).

Please note that if £20.00 is too much to spend in one go, you may spread the donation by paying £10 each in the Autumn and Spring terms.

Some parents have advised us that they would like to donate a larger amount. We have set up a separate payment item called "Additional School Fund" to allow parents to do this if they wish. Please do not feel obliged to do so, as we are very grateful for any donation you are able to make.

Thank you for your continued support.
