

The PTA are delighted to bring a new fun fundraising challenge your way for the half term. With current restrictions limiting our traditional events we have come up with a new way to raise funds for additional school activities and equipment. The Silver Smarties challenge is aligned to the values of the month so far this term – perseverance / kindness. Each child who wishes to participate will be given a tube of smarties, they can eat the smarties and then whenever your child demonstrates either of these qualities, and perhaps any other positive contributions, they could be rewarded with a 20p to add to their empty tube. Each tube can hold up to £12 in 20p (your young mathematicians will realise this means they could persevere to do 60 kind tasks!) The idea is to give the children a sense of pride in small achievements as well as raise funds for the school.

As we are aware there may be allergy issues and not all families will want to participate, could you please complete the Google Form on the following link to confirm your child can participate by **9:30am Thursday 22<sup>nd</sup> October**. Empty tubes can be made available if this is required.

<https://forms.gle/ZjnEw6MBsWaYBpRp7>

The tubes of smarties will be handed out on the last day of term, and the tubes of 'silver smarties' should be returned on **Monday 9<sup>th</sup> November**.

Many thanks

Your PTA Team

*We've given you these Smarties to eat  
But the empty tube you must keep  
For every task done, earn 20p  
It's up to you to earn your fee  
Fill up your tube, right to the top  
Return in two weeks for our charity pot!*
